REVISED COMPENSATION SCHEDULE - Addendum 2

COMPENSATION SCHEDULE

Prices shall include mobilization, labor, materials, equipment and maintenance of traffic to provide pavement markings, as specified.

All work shall be completed in accordance with the latest edition of the FDOT Standard Specifications for Road and Bridge Construction and the latest edition of the FDOT Manual of Uniform Standards for Design, Construction and Maintenance for Streets and Highways.

Note: The subtotals for each item section and the grand total at the end of the table are strictly for the purpose of comparing prices between vendors.

Note: Each item has three classifications of unit price: under \$1000, \$1000-\$5000, and over \$5000. These dollar amounts refer to the cost of the individual line item for a given project, not the total project cost.
