ADDENDUM NUMBER 1

NOTIFICATION DATE:	BID TITLE:	BID NUMBER:	BID OPENING DATE & TIME:
08/06/13	City Dock Piling and Decking Replacement	044-13	08/16/13 2:00PM

**THE FOLLOWING INFORMATION IS HEREBY INCORPORATED INTO,
AND MADE AN OFFICIAL PART OF THE ABOVE REFERENCED BID.**

The following clarifications are issued as an addendum for the referenced solicitation. Please note disposal can be coordinated for either barge to Naples Landings or a dumpster set up by the entrance to the Dock.

- 1) I've read through the bid docs and it appears that neither a bid bond nor performance bond is required. Please confirm.

Answer: No bid bond is required.

- 2) If possible, please provide a schedule of replacement pile diameter and required minimum length so that bidders are bidding apples to apples.

Answer: Piling lengths are 35'. The pilings to be replaced are marked on Exhibit A, and need to be replaced with like diameters. Please take on-site measurements of the marked pilings.

- 3) Are bid tabulations for previous lettings for similar work at the City dock available?

Answer: In the past 10 years the city has not bid decking material and installation together, nor solely for the city dock. Exhibit C is the bid tab for #049-10 for work described below.

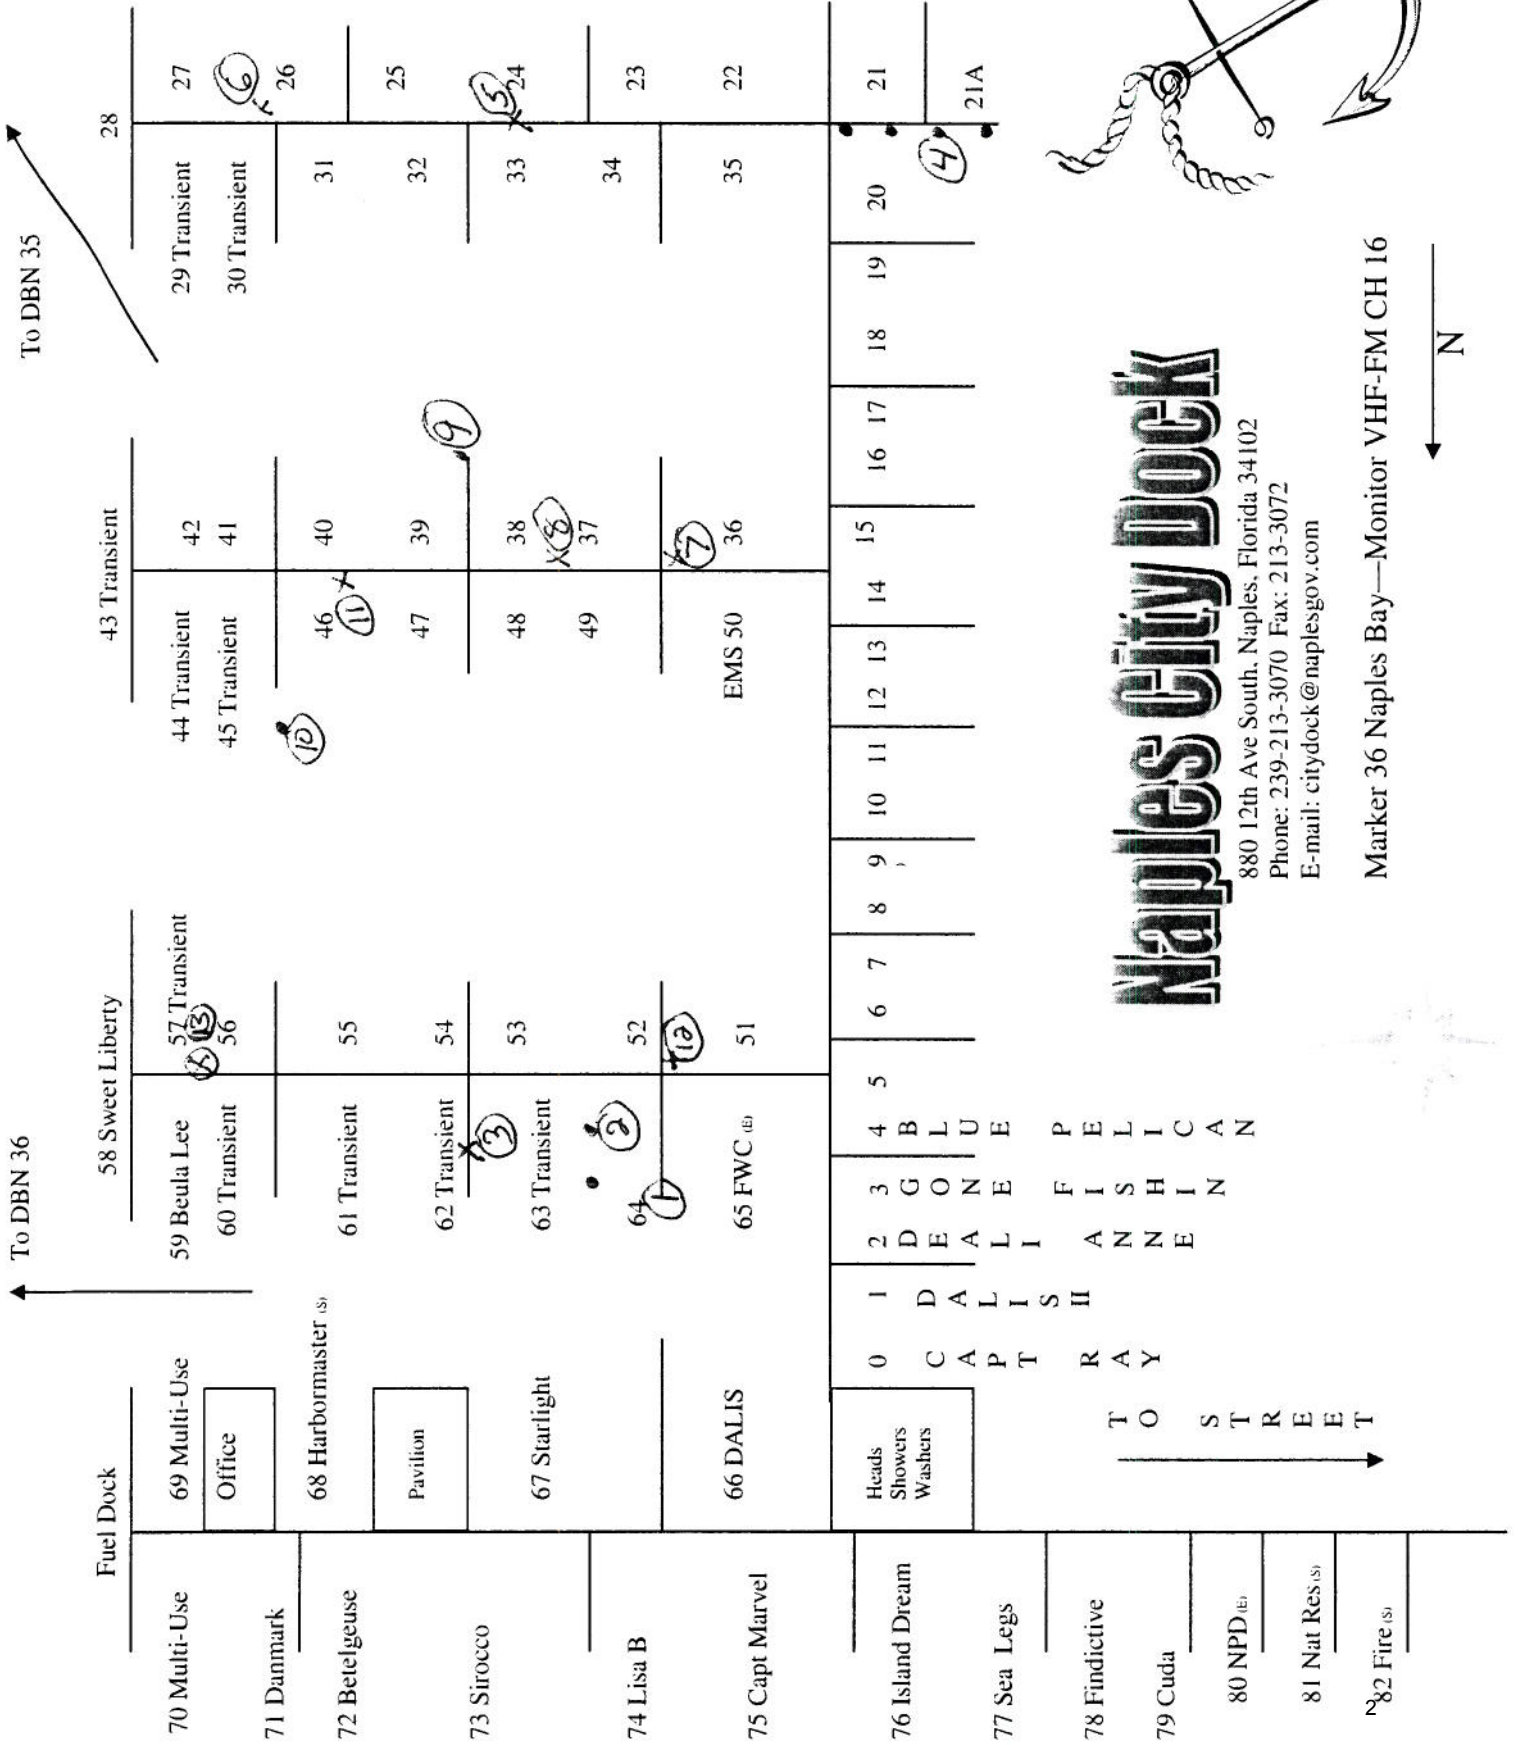

- Bid 049-10 Furnish all labor and equipment for the installation of composite decking material at the Naples Pier, various walkovers at beachends, the City Dock and Lowdermilk Park. The City will provide all materials to include composite decking, screws, bolts, and straps.

Exhibit A – Site and Materials
