The following answer to written submitted question:

What is the address from Naples?

Answer: Naples Recycle Transfer Facility located at 2600 Corporate Flight Drive, Naples, FL 34104

Is there a minimum tonnage guarantee?

Answer: There are no minimum tonnage guarantees due to the fluctuation in the type of recyclable material collected. Staff does make an effort to compact the haul out trailers during loading in an effort to achieve a minimum of 10 tons. In most instances, loads range from 10 to 12 tons, but can be below these estimates at times.

Do you have a form for the bid Payment and Performance Bonds?

Answer: No. The city does not provide these forms to the bidders.

Will the company be required to submit a No Bid form if they decide not to bid?

Answer: Yes. Please see page 19, STATEMENT OF NO BID/PROPOSAL.
