ADDENDUM NUMBER 1

NOTIFICATION DATE:	BID TITLE:	BID NUMBER:	BID OPENING DATE & TIME:
05/12/17	Lowdermilk Park Pavilion Improvements	17-024	5/23/2017 2:00PM

**THE FOLLOWING INFORMATION IS HEREBY INCORPORATED INTO,
AND MADE AN OFFICIAL PART OF THE ABOVE REFERENCED BID.**

The following clarifications are issued as an addendum identifying the following changes for the referenced solicitation:

“The hurricane strap replacements are to be done on all “exposed” surfaces. The straps within the inside of the bathroom/concession stand walls will not be changed out. The press plate boxing of the trusses is only to take place in the “exposed” areas as well bathroom/concession stand areas are not to be touched. Painting to be the exterior of the structure only and does not to include the interior bathrooms/ concession stand area.”

The following is an answer to written submitted question:

1) I found one area on the prints that states 1/4” x 1 1/2”, but that will not account for 24000 SDS screws. Are all the SDS screws 1/4” x 1 1/2”?

ANSWERS: The 24,000 number on the material would include the screws (1/4”x 2”) to attach the plywood gusset plates to the trusses as well as the 1/4”x 1-1/2” screws to attach LGT3Z to all truss Girders.
